

# Surviving Winter

The Surviving Winter appeal has been launched to help elderly and vulnerable people affected by cold weather. Surviving Winter is a UK-wide co-ordinated campaign to encourage people to support the appeal with donations or for those who can afford to, to donate their Winter Fuel payment to support those in need for whom the Winter Fuel Payment is not nearly enough.

Community Foundations all over the UK are co-ordinators of the campaign. What they collect, thanks to the generosity of the British public, can then be directly targeted to help those locally who struggle to get through the winter.

I pledge to donate my Winter Fuel Payment to the Staffordshire Community Foundation's Surviving Winter Appeal

I do not receive the Winter Fuel Payment but wish to make a donation to the Staffordshire Community Foundation's Surviving Winter Campaign

**By gift aiding your donation you will add 25% to the value of your donation**

I will gift aid my donation to the Surviving Winter Appeal and all other donations from this date forward

To qualify for gift aid, what you pay in income tax or capital gains tax during the year must be at least equal to the amount we claim.
